

Their Tools, Their Way

Using Pictochat in the Classroom:

1. Select Pictochat from the menu

2. Select the same Chat Room as your partner
3. Decide who will go first.
4. First player draws a picture in the bottom screen using the stylus or your finger.
5. Push the send button.
6. Player 2 watches the upper screen for the sent picture to appear.

7. Once picture appears, player 2 responds to the picture by writing or drawing in the lower screen and then pushing the send button.
8. Player 1 watches for response in the upper window and then responds again in the lower window.
9. And so on, and so on!
